

Intema Signs a Strategic Partnership for *eFlyerMaker*™

Montreal, October 5, 2016: Intema Solutions Inc. ("Intema" or the "Corporation") (TSXV: ITM) announced today that it has signed a strategic partnership with Email Monks a dedicated design firm specialized in the concept and production of various email components for the industry. With this partnership eFlyerMaker will join a roster of prestigious customers such as National Geographic, Disney, 21st Century Fox, Oracle and email leaders like MailChimp, Exact Target, Hubspot, Bronto.

This partnership will make eFlyerMaker as a unique email solution with a full library for its Drag & Drop template tool.

This partnership perfectly meets Intema's desire to use innovation to help marketers deliver a better customer experience with its eFlyerMaker email software. Email Monks will augment eFlyerMaker's Drag & Drop capabilities and make it unique on the market.

With this partnership, Email Monks will develop the components library and make them available to users of eFlyerMaker within the email platform.

With eFlyerMaker email platform's intuitive Drag & Drop feature, marketers now have a choice on how they want to create email templates using ready designed visual elements or resorting to full predesigned templates.

"Intema is continuously looking for solution partners that enable us to extend our offering and simplify email campaigns deployment. Partnering with Email Monks provides an excellent opportunity to do that", stated Sebastien Plourde, CIO, Intema Solutions. "We are proud and honoured to be part of eFlyerMaker' success. Our contribution to the Drag & Drop capacity with a global library of email components will generate tremendous efficiency gains and increase campaign returns for our valued clients", said Jaymin Bhuptani, director Email Monks.
