

INTEMA SOLUTIONS INC. CONCLUDES A MAJOR AGREEMENT FOR THE EUROPEAN MARKET

Montreal, December 15, 2015: Intema Solutions Inc. ("**Intema**" or the "**Corporation**") (TSXV: ITM), announced today a partnership with Devmar International in Europe for eFlyerMaker™ email marketing software.

INTEMA Solutions, priding itself on continuously offering complete integrated solutions to meeting companies' targeted online marketing objectives, is happy to announce that its new eFlyerMaker™ email solution and predictive marketing engine have been chosen by Devmar International to be prominently showcased by the company's sale representatives throughout the European market. eFlyerMaker™ provides customers with industry-leading access to a wide variety of customizable features for small businesses to meet their digital marketing requirements.

Devmar International employs a solid network of more than two thousand three hundred sales partners, and is entrusting Intema Solutions in developing the European market with Intema's eFlyerMaker™ email solution and predictive marketing tool in hopes of gaining exposure throughout the continent. The sales outsourcing company has firmly established itself in the market in a broad spectrum of industries, and its recent partnership with Intema Solutions will further contribute to both companies' ambitious growth goals.

Recent eFlyerMaker™ campaigns in North America have proven successful for Intema Solutions as more than one hundred customers have begun using the email platform.

About INTEMA SOLUTIONS Inc. Intema's mission is to integrate technologies to marketing. The company develops technologies for marketing and services related to predictive marketing, relationship marketing and database marketing. Since its inception, INTEMA has dedicated its efforts to deliver key solutions to the marketing industry. Amongst its clients are companies of all sizes in North America.
